Our Easy to use SEO Toolkit, used in your own time or with our SEO experts on hand to help & support you, will power you up the Google rankings & increase your sales, enquires & profile!

It works with all major website frameworks and platforms to instantly sync with Google & uses AI to tell you what you can do to rank higher & win more business.

It's as easy as 1,2,3 (and 4!)

HOW DOES IT WORK..?

1

Do some sneaky analysis on your competitors, then chose the best keywords for you with the powerful keyword tool. Get a clear list of what actions to take, and how to do them to start winning more business from Google – all based on the amount of time you have to spare – no time? No problem, ask us to step in, as and when you need.

2

See what SEO changes to make to start ranking higher, along with simple and easy-to-follow instructions. Best of all, you set how much time you have and the system prioritizes what actions you need to complete.

3

Upskill with The SEO Academy. It's your one-stop-shop to learn SEO. From understanding the foundations of technical SEO, to how to audit and build backlinks, the Academy will give you the knowledge you and your team need to become SEO pros.

4

Track your progress with clear, integrated reporting tools that show you traffic, best-performing keywords, Google rankings and everything you need in real-time – nothing hidden, no surprises.

WANT TO USE SEO TO CLIMB THE GOOGLE RANKINGS & INCREASE YOUR SALES, ENQUIRIES & PROFILE?
